Energy Recovery Ventilators, Steam Humidifiers, Exhaust Fans, Gravity Hoods, Terminal Units, Fan Powered Boxes, Louvers, Dampers and Air Distribution

Louvers, Industrial Dampers, Smoke/Fire Dampers, Nuclear Dampers, Sun Shades, Weather Hoods and Gravity Ventilators.

Commercial Packaged Units, Air Cooled Condensing Units and 7.5 to 20 ton Indoor Air Handlers.

Commercial Heat Pump and 3-Pipe Heat Recovery Systems

Duct Silencers, Flexible Sound Absorption Composites, Acoustic Louvers, Acoustic Enclosures and Architectural Sound Attenuating Products.

Louvers, Dampers, Industrial Dampers, Smoke/Fire Dampers, NQA-1 Nuclear Dampers, Sun Shades, Weather Hoods, Gravity Ventilators and Air Measuring Products

PP-RCT Piping systems for commercial and industrial for potable water and process fluids including compresses gases. Faser and Non-Faser Pipe available.

Pumps for Building Services, Waster Management and Ground Water.

Commercial Boilers, Water Heaters,
Storage Tanks and Pool Heaters

Heat Exchangers and Coils including Plate
and Frame, Shell and Tube, Shell and Coil,
Braze Plate and Air-Cooled Condensers.

Hydronic Finned Tube, Steam and Hot
Water Unit Heaters, Radiant Heating and
Cooling Panels, Panel Radiators, Hydronic
and Electric Baseboard Heaters.

High Efficiency Water Boilers, Hot Water Boilers,
Low Pressure Steam Boilers, High Pressure
Steam Boilers, atmospheric or power burners
and Auxiliaries.

System Feeders, Condensate
Neutralization Tanks, H₂O
Demineralizers, Chemical Treatment, Side
Stream Filter Packages, Chemical By-Pass
Feeder and Sight Flow Indicators

Pipe Hanging Solutions

Grills & Registers, Square/Round Diffusers, Perforated
Diffusers, Linear/Slot Diffusers, Security Grills, Air
Handling Coils, Terminal Units.
